# ESCMID Postgraduate Education Course

## Infections in Critically Ill Patients

### Organiser

Hellenic Society of Infectious Diseases

### Course Coordinators

- George L. Daikos, Athens, Greece
- Anna Skiada, Athens, Greece

### Course Objectives

- Review the present knowledge on epidemiology and clinical presentation of infections in the ICU
- Be able to diagnose and treat these infections
- Be aware of the importance of infection control in the ICU
- Demonstrate through interactive sessions the steps to diagnose and treat infections in critically ill patients

## Course Programme

### Plenary lectures

- Fever in critically ill patients
- Catheter-related infections
- Preventing and treating MRSA infections in the ICU
- Ventilator-associated pneumonia
- CMV infections in the ICU
- Surviving sepsis
- Multidrug-resistance in the ICU
- *Candida* infections in the ICU
- Hyphomycetes infections in the ICU
- PK/PD in critically ill patients
- Infection control in the ICU
- Intra-abdominal infections
- Severe soft tissue infections

### Interactive clinical case discussions

Presentation of three cases with fever in ICU patients

## Organisation

### Course Venue

New Museum of Acropolis  
Athens, Greece

### Registration Procedure

The registration form can be found on the ESCMID website at [www.escmid.org/education](http://www.escmid.org/education). Please return it to the course administrative secretariat.

### Registration Fee

**Before and on 15 April 2011**  
EUR 300 for ESCMID members  
EUR 350 for all others

### After 15 April 2011 and on site

EUR 350 for ESCMID members  
EUR 400 for all others

The fee includes the course materials, working lunches and coffee breaks.

### Attendance Grants

ESCMID provides a number of attendance grants for young attendees (up to 40 years) covering the registration fee but not travel or accommodation costs. Please apply via the ESCMID website at [www.escmid.org/education](http://www.escmid.org/education) before 15 March 2011. If there are more applicants than available grants, preference will be given to ESCMID members. Applicants will be informed about their acceptance by 1 April 2011.
