

#### Target Audience

20 to 40 trainees and senior physicians in clinical microbiology, infectious diseases and pulmonology and PhD students working in the field.

#### Faculty Members

- Eric Dannaoui, Paris, FR
- Jorge Garbino, Geneva, CH
- Monica Junie, Cluj-Napoca, RO
- Serafim Kastanakis, Chania, GR
- Cornelia Lass-Flörl, Innsbruck, AT
- Mihai Mares, Iasi, RO
- Hervé Pelloux, Grenoble, FR
- George Petrikos, Athens, GR
- Elisabeth Presterl, Vienna, AT
- Emmanuel Roilides, Thessaloniki, GR
- Anna Maria Tortorano, Milan, IT
- Birgit Willinger, Vienna, AT

ESCMID Postgraduate  
Education Course

**State-of-the-art in  
Emerging Fungal Infections**

**Cluj-Napoca, Romania  
8 – 9 September 2011**

## State-of-the-art in Emerging Fungal Infections

### Organisers

Romanian Society of Medical Mycology and Mycotoxicology (RSMMM) in collaboration with the 'Iuliu Hatieganu' University of Medicine and Pharmacy, Cluj-Napoca, Romania

### Course Coordinators

Mihai Mares, Iasi, RO  
Monica Junie, Cluj-Napoca, RO

### Course Objectives

This course will provide up-to-date information about trends in epidemiology, diagnostics and therapy of emerging fungal infections. The course will be a mix of lectures by expert scientists in the field and interactive group discussions.

## Course Content

### Lectures

- Diagnosis of zygomycosis in the clinical microbiology laboratory . Eric Dannaoui
- Resistance in moulds – an upcoming threat. Cornelia Lass-Flörl
- Treatment options for invasive candidiasis due to emerging *Candida* species. Jorge Garbino
- Susceptibility profile of emerging fungal pathogens. Monica Junie
- Fungal infections of the central nervous system. Serafim Kastanakis
- Invasive fungal infections due to Microasaceae and Thermoasaceae species. Mihai Mares
- Variation of filamentous fungal flora and invasive infections: what is the relationship? Hervé Pelloux
- Current epidemiology of, diagnostics of and treatment approaches to invasive zygomycosis. George Petrikos
- Invasive zygomycosis in neonates and children. Emmanuel Roilides
- The art of antifungal treatment – linking the gap between evidence and reality. Elisabeth Presterl
- *Fusarium* infections. Anna Maria Tortorano
- Antifungal resistance testing. Birgit Willinger

## Organisation

### Course Venue

'Iuliu Hatieganu'  
University of Medicine and Pharmacy  
Faculty of Medicine  
Cluj-Napoca  
Romania

### Registration Procedure

The registration form can be found on the ESCMID website at [www.escmid.org/education](http://www.escmid.org/education). Please return it to the course administrative secretariat by 15 June 2011.

### Registration Fee

EUR 300 for ESCMID/RSMMM members  
EUR 400 for all others  
The fee includes scientific sessions, accommodation (2 nights), lunch at the university and social programme, but not travel.

### Attendance Grants

ESCMID provides a number of attendance grants for young attendees (up to 40 years) covering the registration fee, but not travel costs. Please apply via the ESCMID website at [www.escmid.org/education](http://www.escmid.org/education) before 15 June 2011. If there are more applicants than available grants, preference will be given to ESCMID members. Applicants will be informed about their acceptance by 30 June 2011.

### CME Accreditation

The organiser of the course will apply for European CME accreditation through EACCME.
