@ ESCMID, January 2011

ESCMID Postgraduate
Education Course

**Cystic Echinococcosis:
Burden of Disease in the EU
and Clinical Management**

**Pavia, Italy
23 – 25 September 2011**

Cystic Echinococcosis: Burden of Disease in the EU and Clinical Management

Organisers

- ESCMID Study Group for Clinical Parasitology (ESGCP)
- University of Pavia
- WHO Collaborating Centre for Clinical Management of Cystic Echinococcosis

Course Coordinator

Enrico Brunetti, Pavia, IT

Course Objectives

The course will be a mix of lectures by expert scientists in the field and interactive group discussions. It provides updated information on various aspects of cystic echinococcosis.

Course Content

Main Topics

- Epidemiology and burden of disease of CE at global and European level
- Prevention of CE – integrated veterinarian and medical approach (“One Medicine”)
- Under-reporting of CE in some EU countries
- The role of ultrasound population surveys in evaluating CE prevalence
- Imaging in the diagnosis and follow-up of CE
- Serology in the diagnosis and follow-up of CE
- Interdisciplinary management of CE
- Surgery
- Percutaneous treatments
- Medical treatment
- “Watch and Wait” for inactive, uncomplicated liver cysts
- Management of extra-hepatic and extra-pulmonary locations
- Follow-up

Organisation

Course Venue

Collegio Del Maino – University of Pavia
Pavia, Italy
www.unipv.eu

Registration Procedure

The registration form can be found on the ESCMID website at www.escmid.org/education. Please return it to the course administrative secretariat together with a short CV by 1 July 2011.

Registration Fee

EUR 350 for ESCMID members
EUR 450 for all others
The fee includes registration, course material, coffee breaks, lunch and social programme but not accommodation or evening meals.

Attendance Grants

ESCMID provides a number of attendance grants for young attendees (up to 40 years) covering the registration fee, but not travel or accommodation costs. Please apply via the ESCMID website at www.escmid.org/education before 1 July 2011. If there are more applicants than available grants, preference will be given to ESCMID members. Applicants will be informed about their acceptance by 15 July 2011.
