Science and Activities

Journal

- GMS Infectious Diseases

Meetings

- General Meeting
- Bad Honnef Symposium
- Spring Conference of Antifungal Therapy
- Papillomavirus Symposia
- Others
(co-hosted by other ID societies)

Guidelines

- Empiric parenteral antibiotic treatment
- Empirical oral antibiotic treatment
- Others

Initiatives

- German National Report on Antibiotic Resistance and Antibiotic Consumption (GERMAP)
- National Antimicrobial Susceptibility Testing Committee (NAC) - under the leadership of EUCAST
- Antibiotic Prophylactic Regimens for Endocarditis
- RespVir Network (in coop. with others)

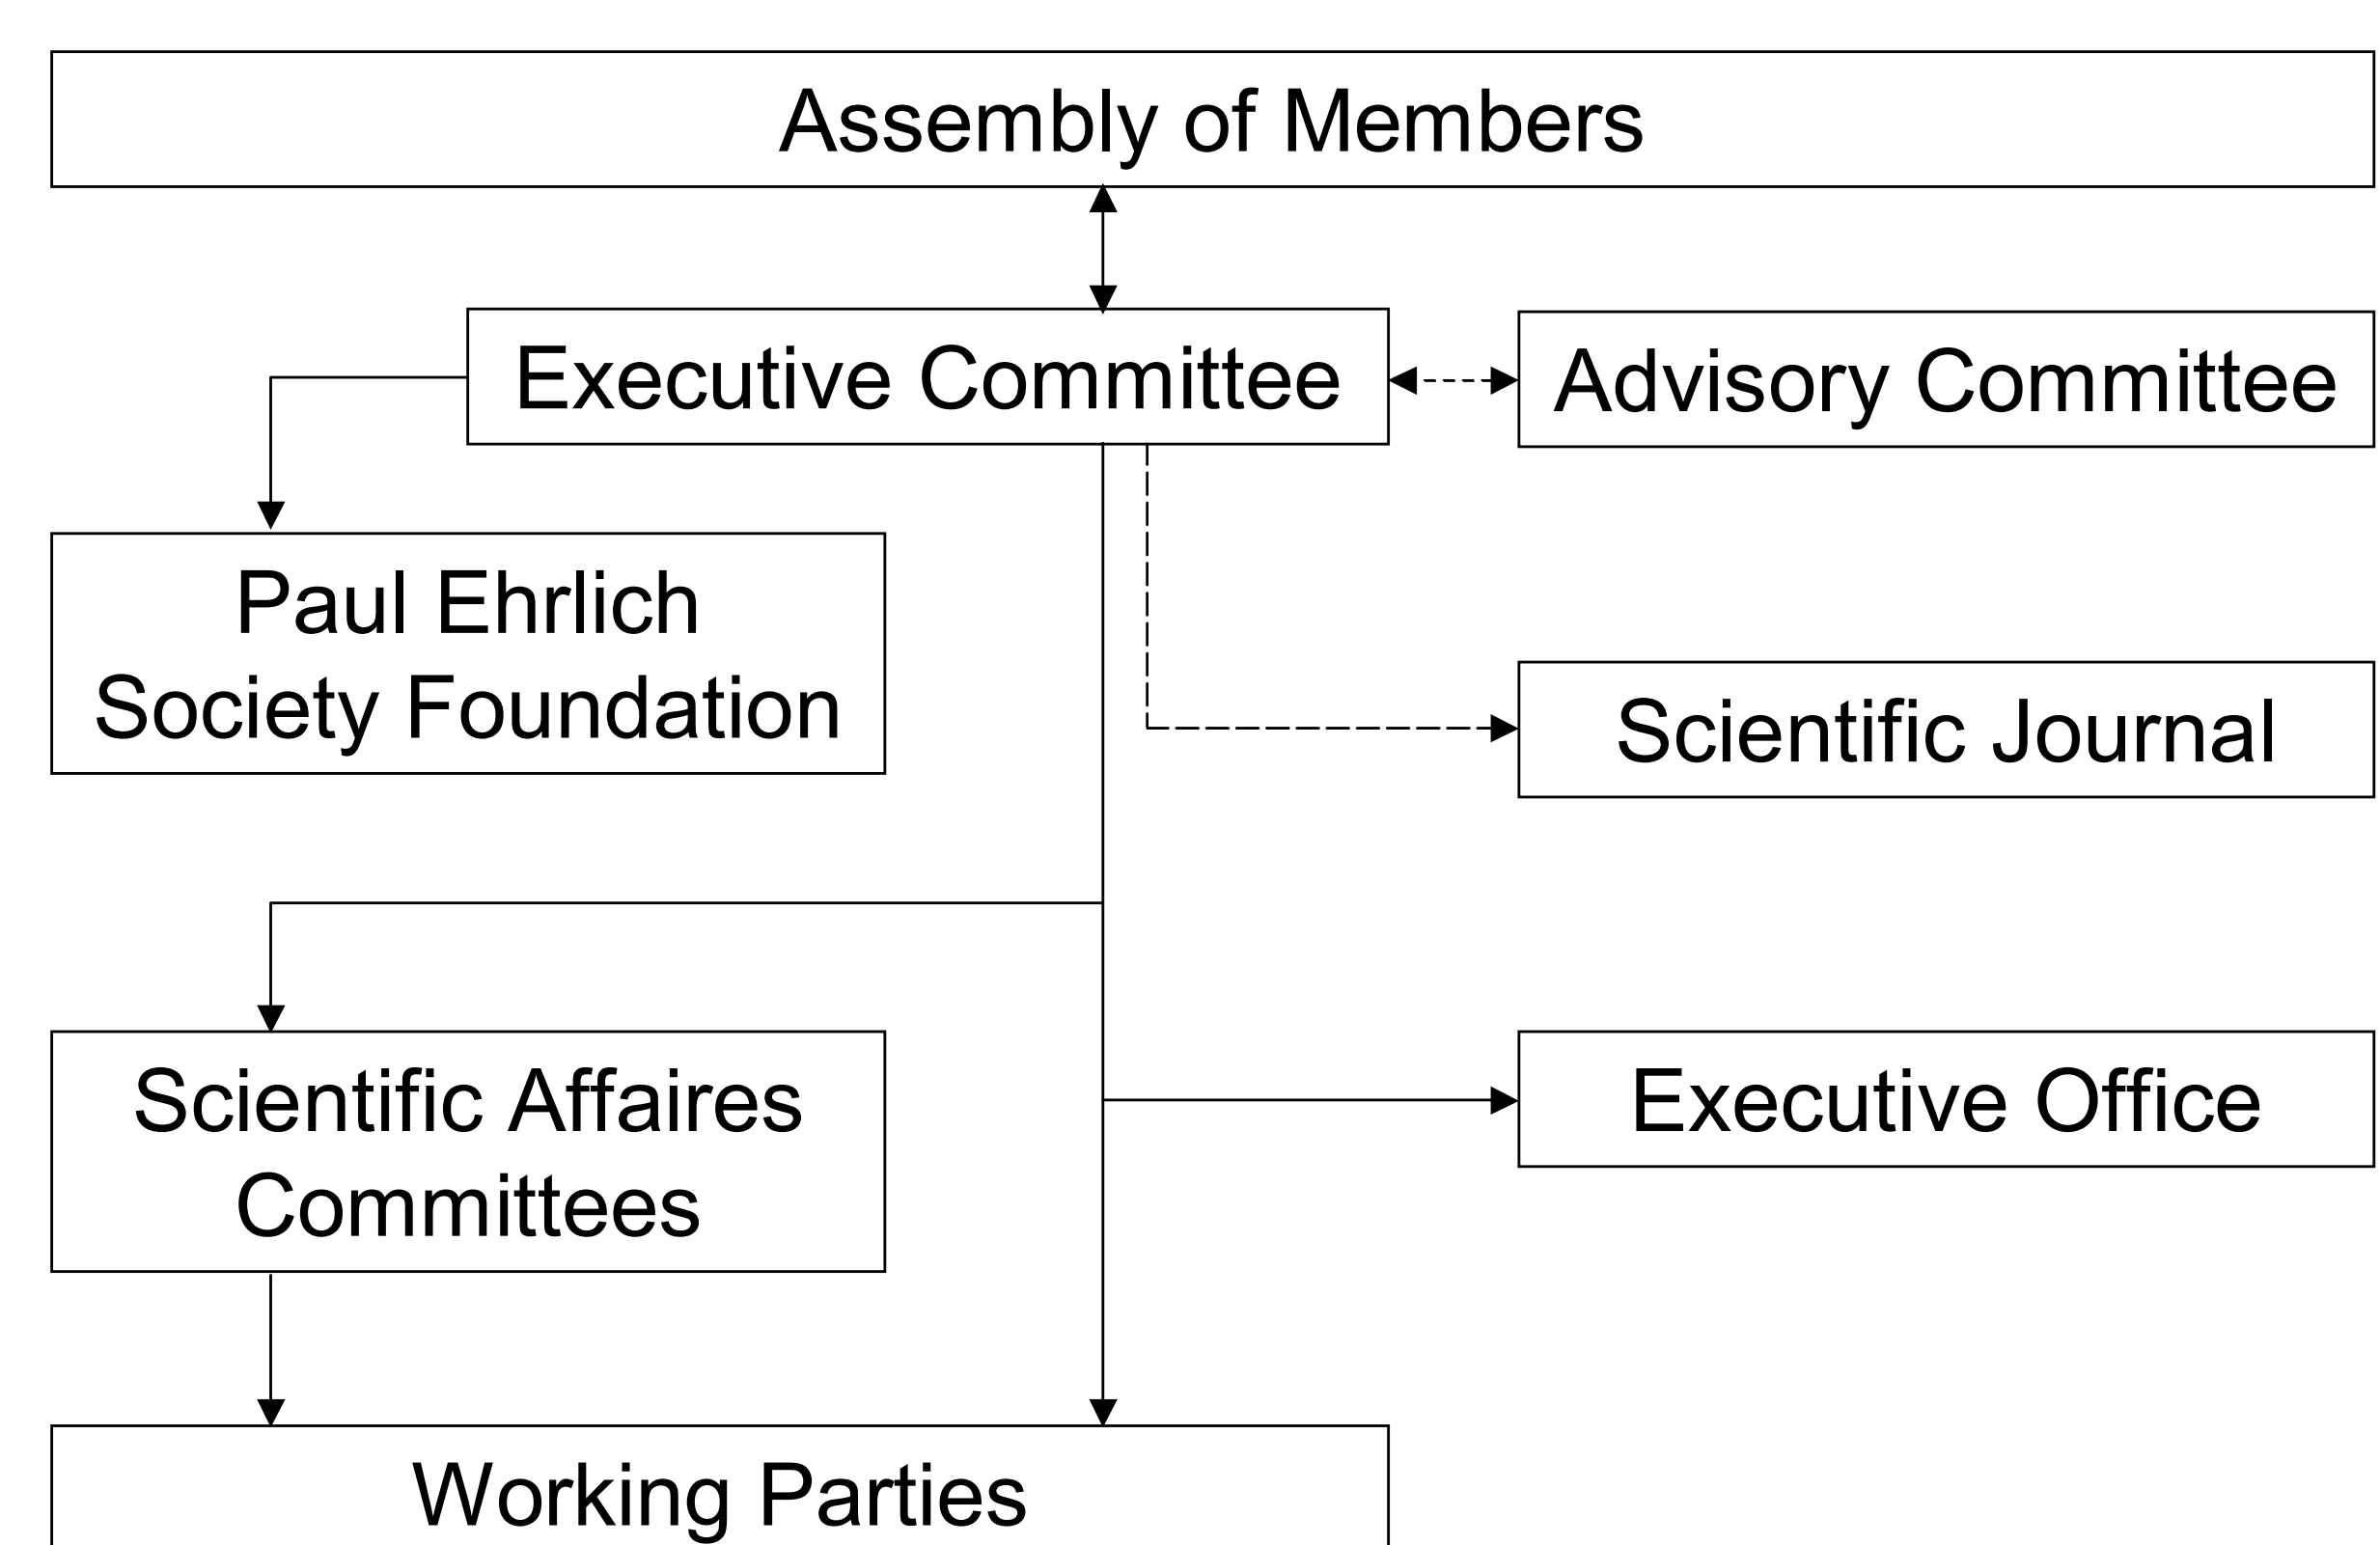

Research

- Resistance surveillance
- Practice guidelines, c. f.
 - Antimicrobial use
 - Management of infections
 - Training Courses
- Antibiotic stewardship (in coop. with Deutsche Gesellschaft für Infektiologie e.V. [DGI])

Members & Organisation

About

- 800 Members
- Highly interprofessional (physicians, surgeons, pharmacists, biomedical scientists, veterinarians)

Scientific Affairs Committees

- Basic research
- Antibacterial Therapy
- Antifungal Therapy
- Antiviral Therapy
- Antiparasitic Therapy
- Infections in Haematology/oncology

Co-operations

- Deutsche Gesellschaft für Hygiene und Mikrobiologie (DGHM)
- Deutsche Vereinigung zur Bekämpfung der Viruskrankheiten e.V. (DVV)
- Gesellschaft für Virologie e.V. (GfV)
- Deutsche Gesellschaft für Infektiologie (DGI)

Awards & Grants

- Wolfgang-Stille-Research Award
- MD / PhD Awards (sponsored by the Paul Ehrlich Society Foundation)
