ABOUT SOCIETY
Croatian Society for Travel, Tropical and Migration Medicine was established on May 28, 2014 at the University Hospital for Infectious Diseases in Zagreb, Croatia.

Society encompasses a wide variety of disciplines including epidemiology, infectious disease, public health, tropical medicine, high altitude physiology, travel related obstetrics, psychiatry, occupational medicine, military and migration medicine, and environmental health.

MISSION
- to promote and support the field of travel and migratory medicine
- to improve the diagnosis, treatment and prevention of infection-related diseases
- to train the new generation of physicians in the area of tropical medicine
- to bring together Southeastern European health care workers to share knowledge and expertise on prevention, diagnosis and treatment of the most common diseases in travelers and migrants, major tropical diseases and HIV infection
