Insert your figures

You can’t insert a figure directly into the abstract body. You have to upload it at the end of the abstract form and refer to it in the abstract body. Only the following extensions are allowed:

In the navigation bar at the bottom of your screen you can:

- Follow how many words were filled
- Save your abstract to modify it later on
- Submit your abstract – **this is final & irreversible!**
- Preview your document – please note that you have to save your document first
Once your abstract has been submitted you won’t be able to modify it anymore.

Once the review period has passed (after deliberation of the reviewers), you will be informed of the result by email.

The status of your abstract will also be published online, in your submitter account.
Thank you for your collaboration!
