ESCMID Postgraduate Education Course
Management of Infections in Septic Shock Patients
Istanbul, Turkey
22 – 23 September 2016
ESCMID Postgraduate Education Course

Management of Infections in Septic Shock Patients

Organizer
- ESCMID Study Group for Infections in Critically Ill Patients (ESGCIP)

Course Coordinators
- Hakan Erdem, Istanbul, Turkey
- Jordi Rello, Barcelona, Spain
- Jean-François Timsit, Paris, France

Course Objectives
The course will present hot topics for physicians treating septic shock patients. The content will be organized roughly as hot topics in epidemiology, bugs, interactions with the host, challenges in diagnosis and treatment. The final section will contain an envision of the future. A hands-on device will be used and several case reports will serve as framework for discussions, enclosing a session of case reports presented by six physicians under 35 years of age.

Course Programme

Thursday, 22 September 2016
08:30 Welcome remarks. Hakan Erdem & Jordi Rello

Epidemiology and definitions
08:45 Septic shock and sepsis: 25 years after Roger Bone’s paper. Jean-François Timsit
09:15 The challenge of improving survival:
  - Role of the ID physician. Serkan Oncu
  - Role of the intensivist. J.-L. Teboul
10:15 Epidemiological trends. Asuman Sengoz-Inan
11:00 Coffee break

The bugs
11:30 The problem is the resistance. Haluk Vahaboglu
12:00 When shock is due to Candida. Jean-François Timsit
12:30 Lunch

The host
14:00 Influence of age. Zelilha Kocak-Tufan
14:30 Impact of immunodepression on presentation and management. Jean-François Timsit
15:00 Genetics and antibodies: opportunity for personalized medicine. Thierry Calandra

The new challenges
15:30 What’s new in septic shock? Jordi Rello
16:00 New role of biomarkers to optimize therapy. Holis Akalin
16:30 Source control: between source and damage control. Christian Eckmann

Interactive cases
17:00 Presented by young physicians and discussed with the faculty and the audience.

Friday, 23 September 2016

Interactive cases on management of septic shock
08:30 The lung. Jordi Rello
09:00 Intrabdominal infections. Christian Eckmann
09:30 Soft tissue infections. Lutfiye Mulazimoglu
10:00 Unknown origin. Mesut Yilmaz
10:30 Coffee break

Management
11:00 Right first time. Emine Alp
11:30 ED management. Thierry Calandra
12:00 ICU Management. J.-L. Teboul
13:00 Lunch

Anticipating the future
14:00 Rapid diagnostic tests: present and future. Garyphallia Poulakou
14:30 Beyond the ICU bundle: evidence and practical recommendation for implementation of sepsis bundles in the management of septic shock. J.-L. Teboul

15:00 Why have trials on sepsis failed? F. Agalar
15:30 Shock in migrants returning from travel from the country they were born. Hakan Leblebicioglu
16:00 Closing remarks. Hakan Erdem & Jordi Rello

Organization

Course Venue
Radisson Blu Hotel, Istanbul Sisli
19 Mayis Cad. No 2 Sisli
34360 Istanbul
Turkey

Registration Procedure
Register now online on the ESCMID website at www.escmid.org/education. Registration deadline is 2 September 2016.

Registration Fee
EUR 350 for ESCMID members
(Full Membership/Young Scientist Membership)
EUR 400 for all others

The registration fee includes the tuition, coffee breaks and two lunches. Travel and accommodation are not included.

Attendance Grants
ESCMID provides a number of attendance grants for ESCMID “young scientist members”. The grant covers the registration fee. Travel and accommodation are not included. Please apply via the ESCMID website at www.escmid.org/education before 15 July 2016. Applicants will be informed about their acceptance by 29 July 2016.

CME Accreditation
The organizers of the course will apply for European CME accreditation through EACCME.
