Course Programme

Saturday 26 September 2020

08:30 Registration
09:00 Welcome
  Goran Stevanovic, Aleksandra Barac
09:10 Group introduction
  Ivana Milosevic and Muge Cevik
09:30 Introduction to TAE
  Aleksandra Barac
09:40 Professional and training challenges and opportunities in clinical microbiology and infectious diseases
  Onder Ergonul
10:40 Coffee Break
11:00 The future infectious diseases and clinical microbiology specialist—what are the qualities and skills needed in a changing healthcare workforce
  Neven Topić
12:00 Why we need research in CM and ID
  Aleksandra Barac, David Ong
13:00 Lunch
14:00 Group work—Designing a study on antimicrobial stewardship—Identifying the research question, choosing an appropriate study design, protocol development and concept sheet
  Caroline Rønnberg, David Ong
15:30 Coffee Break
15:45 State of the art—Participant presentation—Year in Review Infectious Diseases
  Muge Cevik
16:30 Understanding the role of infectious diseases and clinical microbiology specialists as leaders—importance of CM and ID as a specialty
  Jesús Rodríguez-Baño
17:30 Group work—How to critically appraise a scientific paper
  Salvatore Rubina
18:30 Dinner

Sunday 27 September 2020

08:30 How to build a career in one topic: real life stories on Crimean Congo
  Onder Ergonul
09:30 Group work—Outbreak management exercise
  Caroline Rønnberg, Muge Cevik, Tatiana Pinto
11:00 Coffee Break
11:15 State of the art—Participant presentation—Year in Review Clinical Microbiology
  Emmanuelle Cambau
12:00 Changes in the core training programme and European exam for medical microbiology
  Truls Michael Leegaard
12:30 Lunch
13:30 Changes in the core training programme and European exam for infectious diseases
  Davorka Dusek
14:00 How to give a winning presentation
  Tatiana Pinto
14:30 Day of an infection control doctor—being an effective team member, leader, working in multi-disciplinary team and assertive communication

  Muge Cevik
16:15 How to get funding for your research
  Aleksandra Barac
17:00 Finalising concept papers
  Caroline Rønnberg, David Ong
17:30 Final remarks
  Goran Stevanovic, Aleksandra Barac
18:00 End of course

Organisation

Course Venue
Hilton Hotel Belgrade
Kralja Milana 35
Belgrad 11000, Serbia

Registration Procedure
Register on the ESCMID website at www.escmid.org/education. Registration closes on 30 August 2020

Registration Fee
EUR 350 for ESCMID members
EUR 400 for all others
The fee includes accommodation for 2 nights in a shared room* ([Hilton Hotel Belgrade]), lunch, one dinner, coffee breaks and course material.

Attendance Grants
ESCMID provides a number of attendance grants for ESCMID “young scientist members”. The grant covers the registration fee, but not travel costs. Please apply via the ESCMID website at www.escmid.org/education before 1 July 2020. Applicants will be informed about their acceptance by 15 July 2020.

CME Accreditation
The organiser of the course will apply for European CME accreditation through EACCME.
