Antimicrobial Applications
Lyon, France 13 – 15 April 2016

Event venue, transportation and accommodation

Course Venue

The course will be held at the School of Medicine and Pharmacy of the University of Lyon, Rockefeller Campus. Details on the classroom and how to get there will be available soon.

The exact address is: Rockefeller campus, 8 avenue Rockefeller, 69373 Lyon cedex 08 France.

Transportation

How to get to Lyon?

Lyon airport "Saint Exupéry" is located in the Eastern suburb of Lyon.
(https://www.lyonaeroports.com/)

There is an airport shuttle to go from the airport to Lyon center, called "Rhône Express" (see https://www.rhonexpress.fr/) . There is a shuttle departure every 15 min, and the trip duration from the airport to Lyon center (Lyon Part Dieu train station) is 30 min. We recommend participants to use the shuttle.
The main train station is Lyon Part Dieu, with very frequent train connections from and to Paris. The train station is accessible from the airport via the shuttle. A metro underground station is also located in the train station (line B).

**How to get to the course venue?**

The School of Medicine is located in the eastern part of Lyon. It is easily accessible by the underground metro (metro line D, "Grange Blanche" stop). We recommend participants to use the underground metro to go from their hotel to the course.

**Ground transportation**

Maps, itineraries and other information on Lyon transportation network are available on this website: [http://www.tcl.fr/](http://www.tcl.fr/)

**Hotel accommodation**

Accommodation is not included in the registration fee.

Please find below a short list of suggested hotels. There are not many hotels around the course venue, but the location is only 10 min from Lyon City Center (place Bellecour) by the metro rail.
Of note, the week of the workshop is a school holiday in France, so unfortunately, hotel prices are not at their lowest.
