Call for Examiners

European Infection Prevention and Control Certificate- Final assessment April 2019

The final assessment of the EUCIC Training Programme in Infection Prevention and Control will take place on April 17th 2020 during the next ECCMID in Paris.

EUCIC invites its members to apply for an examiner position of the final assessment. The examiners are required to be present during the assessment. Their responsibilities include:

- Meetings (online or face-to-face) with the members of the Examination Committee and Steering Committee.
- Production, selection and validation of the multiple-choice questions to be included, according to the requirements of the European Infection Prevention and Control Certificate Assessment.
- Supervision and evaluation of the final Assessment, including provision of feedback to the Steering committee of the assessment.
- Feedback meetings with applicants who appeal the assessment.

Examiner selection criteria:

- Member of the European Committee of Infection Control (EUCIC).
- In good standing with the profession.
- Currently active in the practice of infection prevention and control.
- Actively involved in the education of trainees in the field of infection prevention and control.
- Demonstrate good written and verbal communication skills in English.
- Demonstrate the ability to work as part of a team.

The duration of the examiner position offered is for a period of 2 years.

Interested applicants are requested to send a letter of interest supporting their eligibility and a brief curriculum vitae to EUCIC@escmid.org by September 25th. The Steering committee reserves the right to request supporting documentation.
